

Covid-19 Response (Update)

March 15, 2020

To SD Force FC and Force Rec Families,

1. To fall in line with the advice/recommendations of the various leagues and associations we are part of, and to abide by the actions taken by the schools and school districts we practice at, the club will be suspending clinics, practices, and games until at least April 17, 2020.
2. Coaches are encouraged to send out training plans that players can do on their own during this period.
3. Olders (birth years 2005-2003) tryouts that were originally scheduled for April 6-9 are postponed. We will send out new tryout information as soon as we have them.
4. We are working to see if we can make up the missed Spring Rec games if we are able to restart the season on 4/18. If we do this, games could be played on Friday nights until sunset, and Saturdays 8am until sunset. We will continue monitoring the situation and have not ruled out canceling the season and refunding all registration fees.
5. This is a rapidly evolving situation which we will continue to closely monitor. We thank you for your continued support and patience during this period. We look forward to getting back to teaching and playing the beautiful game soon.
